CIVIL COMPLAINT UNDER 42 U.S.C. §1983 and §2000cc1

JURY TRIAL DEMANDED

VERIFIED COMPLAINT

EXPEDITED CONSIDERATION REQUESTED

Statement of the Case

This is a civil Rights action brought under 42 U.S.C. §1983 for violations of the First Amendment to the U.S. Constitution, violation of the Equal Protection Clause of the Fourteenth Amendment, as well as the Religious Land Use and Institutionalized Persons Act (RLUIPA), 42 U.S.C. §2000cc-1, by a state prisoner who is going to be forced to adopt a Buddhist(Vegan) diet that does not comport with his religious beliefs. The Plaintiffs aver that the actions undertaken by the named Defendants violate the First Amendment rights guaranteed to him regarding the establishment of religion, as well as the Due Process Clause of the Fourteenth Amendment as well as the "substantial burden" requirement of RLUIPA.

The Plaintiffs seek injunctive relief in the form of a Temporary Restraining Order (TRO) and a Preliminary Injunction to ensure that they are not forced to adopt religious beliefs that are not their own. They also filed the motion for a TRO in hopes of enjoining the Defendants and any of their agents from committing reprisals against them.

JURISDICTION AND VENUE

1. The Plaintiffs bring this action to redress the deprivation of rights guaranteed to him under the First and Fourteenth Amendments as well as RLUIPA. This Court has jurisdiction pursuant to 28 U.S.C. §§1331 and 1343(a)(3).

2. Declaratory relief is authorized by Fed. R. Civ. P. 57 and 28 U.S.C. §§2201,2202.

3. This Court has jurisdiction to grant injunctive relief pursuant to Fed. R. Civ. P. 57.

4. Venue is proper in this jurisdiction pursuant to 28 U.S.C. §1391(b)(2). Substantial part of the events, Constitutional claims were predicated on actions or omissions, giving rise to the actions taking place in the Eastern District of Michigan. The Plaintiffs are currently incarcerated at a correctional facility in Gratiot County, in the Eastern District of Michigan, Northern Division.

PARTIES

5. The Plaintiffs, Michael Arnold, Daniel Corralez, Eric Lahti are Orthodox Jews, currently housed at Central Michigan Correctional Facility, a facility maintained and operated by the Michigan Department of Corrections (MDOC). Their religious beliefs do not command them to practice vegetarianism or to be a Vegan. Their religious beliefs are sincerely held, and the definition of "religious" for the purposes of this action.

6. Defendant Daniel H. Heyns, is employed by the MDOC as its Director.

7. Defendant Michael Martin is the Special Activities Coordinator for the MDOC. He is responsible for approving or disapproving prisoners to eat religious diets within the MDOC.

8. Brad Purvis is Food Service Director for the MDOC. He is responsible for developing the Vegan Diet which the Defendants are planning on forcing the Plaintiffs to adopt. He is also responsible for developing the "alternate menu," described below.

9. All MDOC Defendants are sued in their official capacities for injunctive relief only, pursuant to RLUIPA.

Statement of Facts

10. Defendant Heyns, in his role as Director of the MDOC, either promulgated, caused to be promulgated, or allowed to be promulgated MDOC Policy Directive (P.D.) 05.03.150, "Religious Beliefs and Practices of Prisoners," with an effective date of July 26, 2013.

11. As the Special Activities Coordinator for the MDOC, Defendant Michael Martin, would have had significant input into the aforementioned policy.

12. In his role as Food Service Director for the MDOC, Defendant Brad Purvis, would have had significant input into the aforementioned policy, and would have been responsible for developing this diet. P.D. 05.03.150 also states that prisoners who do not feel that the new Vegan diet does not meet their needs may request an alternative menu. Defendant Purvis would also be responsible for the development of this new, as of yet unknown menu.

13. Inter alia, P.D. 05.03.150 WPP states: "The Department offers a religious menu to meet the dietary needs of prisoners. The Department will begin offering a Vegan menu which will replace all currently approved religious menus on the following dates for the listed facilities: 1. The week of September 15, 2013: Newberry Correctional Facility, Baraga Correctional Facility, Macomb

Correctional Facility, Ionia Correctional Facility, **Central Michigan Correctional Facility.**" (Emphasis added.)

A. THE FIRST AMENDMENT CLAIM

14. To be protected by the Free Exercise Clause of the First Amendment or by RLUIPA, the religious beliefs of a Plaintiff must be sincerely held, and they must be religious, e.g., the definition given in William James' *The Varieties of Religious Experience*, "The feelings, acts, and experiences of individual men in their solitude, so far as they apprehend themselves in relation to whatever they consider the divine."

15. The Plaintiffs aver that their Religious Beliefs meet this test and has made such a statement in the affidavits attached to the motion for a TRO.

16. The Plaintiffs are being forced to choose between a fundamental commandment of their faith, i.e., the mitzvah (commandment) to eat meat and keep kosher on the one hand, and the generally available, non-trivial benefit of eating a diet that features meat and dairy products, thereby fulfilling these mitzvot on the other hand.

17. The State of Michigan is putting substantial pressure on the Plaintiffs to modify their behavior and to violate their beliefs. Their ability to freely practice their chosen religion is being substantially burdened.

B. THE EQUAL PROTECTION (FOURTEENTH AMENDMENT) CLAIM

18. To establish an Equal Protection Claim, a prisoner must demonstrate that (1) he is similarly situated to other prisoners who receive(d) more favorable treatment; and that (2) the State engaged in invidious discrimination against him based on race, religion, national origin, or some other constitutionally protected basis.

19. As to the first part of this test, the Plaintiffs are similarly situated to other prisoners by virtue of his incarceration and by virtue of being

human in his need to eat. Prisoners who eat from the main line, i.e., those who do not receive religious diets, are not forced to be Vegan, nor is it likely that they will be forced to eat like a Vegan in the future. As such, unless the MDOC plans on implementing enforced vegetarianism on all prisoners under its jurisdiction, all prisoners except those who are Jewish will soon be receiving more favorable treatment.

20. A Vegan diet, currently only provided to prisoners who are or who claim to be Buddhist, is based on Buddhist beliefs and practices, viz., a reverence for life because one might be reincarnated as an animal in a future life. The Plaintiffs do not hold such beliefs. As such, unless the MDOC plans on forcing all prisoners under its jurisdiction to emulate Buddhist religious practices, all prisoners except those who are Jewish will soon be receiving more favorable treatment.

21. As to the second prong of the test, the actions of the Defendants are discriminatory. This policy of enforced vegetarianism is targeted specifically at prisoners within the MDOC who are Jewish or claim to be as such. This is nothing short of religious discrimination.

C. THE RLUIPA CLAIM

22. The Religious Land Use and Institutionalized Persons Act (RLUIPA) prohibits a state from imposing substantial and unjustified burdens on the religious liberty of state prisoners. It provides in pertinent part:

"No government shall impose a substantial burden on the religious exercise of a person residing in or confined to an institution, as defined in section 1997 of this title, even if the burden results from a rule of general applicability, unless the government demonstrates that imposition of the burden on that person."

1. is in furtherance of a compelling governmental interest; and

2. is the least restrictive means of furthering that compelling governmental interest." 42 U.S.C. §2000cc-1.

23. The act applies to any penal institution that receives Federal Financial Assistance. Id. It defines "religious exercise" to include "any exercise of religion, whether or not compelled by, or central to, a system of religious belief." 42 U.S.C. §2000cc-5(7)(A). Additionally, it provides that "[a] person may assert a violation of this chapter as a claim or defense in a judicial proceeding and obtain appropriate relief against a government." U.S.C. §2000cc2(a).

24. Pursuant to 42 U.S.C.A. §§13702, 13704, and 13705, at a minimum, the counties comprising the State of Michigan receive Federal grants under its "Truth in Sentencing" scheme. Because these grants are responsible for populating the myriad facilities of the MDOC, the Plaintiffs contend these "conviction based" Truth-in-Sentencing grants, inter alia, constitute a waiver of Eleventh Amendment sovereign immunity and bring all MDOC facilities under the jurisdiction of RLUIPA.

25. Furthermore, in addition to the over \$2,000,000,000 (two billion) budgeted to it by the legislature, the MDOC and/or the State of Michigan also receives Federal grants and monies to keep its facilities densely populated and operating, in the form of monies for its various programs. These include, but are not limited to: 42 U.S.C.A. 13921 (Gang Resistance Education and Training); 42 U.S.C.A. 13925 (Domestic Violence Grants); 42 U.S.C.A. 13925(5) (Court-based and Court-related personnel); 42 U.S.C.A. 14043d-4 (Nonprofit/Coalitions addressing domestic violence); 42 U.S.C.A. 16901 (Sex Offender Registration); 4 U.S.C.A. 17501 (Re-Entry Grant Programs); 42 U.S.C.A. 17511 (Grants to Train Prisoners in Technology); 42 U.S.C.A. 17521 (Improvement of Drug Education Grants); and 42 U.S.C.A. 3797cc-21 (Repaying loans for Prosecutor or Public Defender); see also 2

U.S.C.A. 13704. The fact that the MDOC accepts money for the programs which fill its prisons and operates many of the programs therein again constitutes a waiver of Eleventh Amendment Sovereign Immunity and clearly brings all MDOC facilities under the jurisdiction of RLUIPA.

26. The government, in the form of the MDOC, has imposed a substantial burden on the religious exercise of a person residing in or confined to an institution, in violation of RLUIPA.

27. The Plaintiffs, by virtue of being Jewish, has been forced to choose between being forced to be a Vegan, a diet that is based on religious precepts that he does not hold and which will not actually be kosher in any case because of how the MDOC washes its trays and utensils, or eating from the "main line" (general population) menu, i.e., eating food that is most assuredly not kosher, which includes Pork.

28. The Plaintiffs have also had a substantial burden placed on their religious beliefs because they are unable to fulfill the Biblical mitzvah (commandment) to eat meat.

29. The Plaintiffs have also had a substantial burden placed on their religious beliefs because they are unable to fulfill the Rabbinical instruction to eat dairy products on certain religious holidays.

30. In addition to its plans to force the Plaintiffs to become a Vegan, the MDOC has also entered into an exclusive contract with Keefe/Access to provide commissary items to Prisoner Stores throughout the MDOC.

31. The MDOC could make Kosher meat products (and dairy products such as cheese) products available to Jewish prisoners for purchase, but it has chosen not to. (Refer to Exhibits)

32. The actions of the MDOC in not allowing Jewish prisoners to purchase Kosher meat and dairy products was and is discriminatory under the Fourteenth

Amendment's Due Process Clause, but such actions were tolerated so long as Food Service provided the Plaintiffs with such items.

33. With the plans to force the Plaintiffs to become Vegan, the Plaintiffs have no meaningful access to Kosher meat or most Kosher Dairy products.

34. The government, in the form of the MDOC and/or the State of Michigan has not demonstrated that the imposition of these burdens on the Plaintiffs' is in furtherance of a compelling governmental interest, nor has it shown that it is the least restrictive means of furthering a compelling governmental interest.

35. The government, in the form of the MDOC and/or the State of Michigan, has not met its burden in so much as the Federal Bureau of Prisons (BOP), and numerous other states still offer Jewish prisoners Kosher, NOT VEGAN diets. (See Attached Exhibits.)

RELIEF REQUESTED

Wherefore, the Plaintiffs request that the Court grant the following relief:

A. Issue a Declaratory Judgment stating that:

1. The proposed actions of the Defendants in forcing the Plaintiffs to eat a religious diet that does not comport with their beliefs violates the First Amendment of the United States Constitution regarding the establishment of religion;

2. The proposed actions of the Defendants in forcing the Plaintiffs to eat a religious diet that does not comport with their beliefs violates the Due Process Clause of the Fourteenth Amendment of the United States Constitution;

3. The proposed actions of the Defendants in denying the Plaintiffs the opportunity to purchase Kosher Meat and dairy products violates the Due Process Clause of the Fourteenth Amendment of the United States Constitution;

4. The Proposed actions of the Defendants in forcing the Plaintiffs to eat a religious diet that does not comport with his beliefs violates RLUIPA.

B. Grant the Plaintiffs Motion For Temporary Restraining Order (TRO) and Preliminary Injunction, filed contemporaneously with this pleading, prohibiting the herein described enforcement of a Vegan diet from taking place on the scheduled date.

C. Grant the Plaintiffs TRO and Preliminary Injunction, filed contemporaneously with this pleading, prohibiting said defendants, their successors in office, agents, and employees, and all other persons acting in concert and participation with them, e.g., the Aramark Corporation and its employees, from taking retaliatory action against the Plaintiffs for filing this action.

Such retaliatory Acts undertaken by the MDOC and/or their agents in the past, which the Plaintiffs now seek to enjoin, include, but are not limited to: (1) retaliatory transfers and separating Plaintiffs; (2) arbitrary removal from the Kosher diet program; (3) false accusations of possessing or consuming non-kosher item; (4) arbitrary raising of security level; (5) staff planting razor blades or homemade knives(shanks); (6) interfering with timely delivery of legal mail; (7) harassing shakedowns; (8) fabricated misconduct reports; (9) theft, confiscation, or arbitrary destruction of property by staff; (10) intimidation by staff and; (11) interference with the parole process by staff and/or the Michigan Parole Board in retaliation for pursuing civil rights litigation.

D. Order the Defendants, and any necessary subordinates, to develop procedures that would allow prisoners who are Jewish to order Kosher Meat and dairy products so that the Plaintiffs can obtain Kosher Meat and dairy products at their own expense from vendors such as the Aleph Institute.
